

Sensory Solutions, LLC
Physical, Speech and Occupational Therapy for Children

Preschool Language and Social Skills Group

Dates: July 26 - August 30
Time: Tuesdays 10 am to 11 am
Price: \$240

This group is designed to enhance the development of language and social skills in 3-6 year olds with expressive and receptive language delays as well as children with high-functioning PDD and Autism. Play-based activities will facilitate development of age-appropriate vocabulary and concepts as well as social skills including appropriate eye contact and turn-taking.
