Physical, Speech and Occupational Therapy for Children

Shelly Schlueter, PT

A 1984 graduate of Maryville University, Shelly earned a bachelor of science in Physical Therapy. She has been practicing Physical Therapy with adults in the clinic environment for two years and with children in the home/school environment for over 20 years.

"I absolutely love pediatric home care because it allows me to train family members in very practical ways that they can play therapeutically with their child. The families and children I meet truly enrich my life."
