**Messy Monsters
Sensorious**

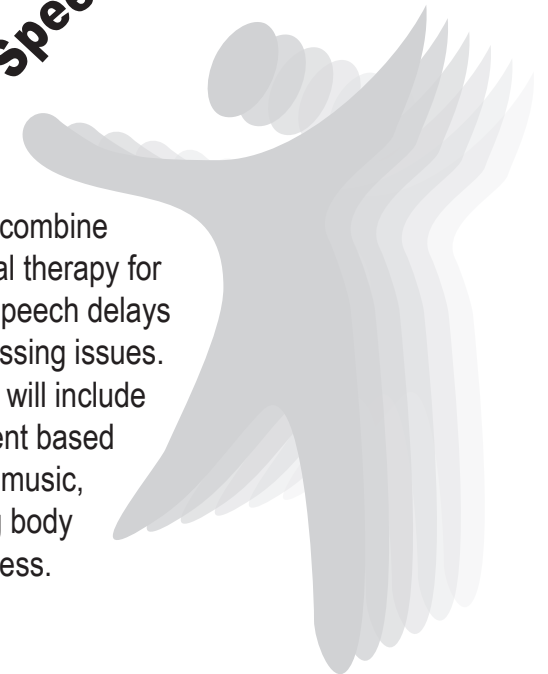

The **Messy Monsters** and **Sensorious** group will be led by a team of experienced pediatric occupational therapists. The session will include four weeks of sensory based activities with specific focus on **daily tactile** "MESSY" play, crafts and textures.

Sensory Solutions, LLC

10560 Old Olive St. Rd Suite 100

Creve Coeur, MO 63141

Speech in Motion

Speech in Motion will combine speech and occupational therapy for children with moderate speech delays along with sensory processing issues.

The **six** week session will include speech and movement based activities such as games, music, motor play and increasing body awareness.
