

Sensory Solutions, LLC

Physical, Speech and Occupational Therapy for Children

Feeding Group

When: October 25 - December 13
Tuesdays 4:00 - 5:00pm

Where: Sensory Solutions, LLC
10560 Old Olive St. Rd Ste 100
Creve Coeur, MO 63141

Cost: \$420

A feeding group for children **4 - 6 year olds** with delays in feeding due to medical situations, G-tubes, neurological, psychological and sensory defensiveness. The group allows children to explore a variety of foods with peers. This group will provide a multidisciplinary approach to feeding with attention to oral motor skills and oral aversions. The "SOS Approach to Feeding" will be utilized progressing children through a 32 step hierarchy / developmental approach to feeding.

Food to be provided by Sensory Solutions.

An OT evaluation is necessary prior to participation in group.

Only 6 spaces!
